CREAMERY CONVENTION AT RED DEER.

The first Provincial Creamery Convention for Alberta was held in the Oddfellows hall, Red Deer, on Tuesday and Wednesday of last week and was a pronounced success, some fifty being in attendance at the various sessions, most of them being butter makers and cheese makers.

The convention had the benefit of the presence of Hon. W. T. Finlay, Minister of Agriculture, as chairman, with his kindly encouragement and his deep interest in the improvement of the dairy industry of the province.

Mr. C. P. Marker, Provincial Commissioner of dairying; Mr. W. G. Craig, Superintendent of Farmers' Institutes; G. H. Clark, Institute lecturer; T. B. Miller, President of the Dairymen's Association of Alberta; Messrs. Pearson, Scott and other leading experts; Mr. M. D. Geddes of the Farm and Ranch Review, and others.

The Hon. W. T. Finlay was unanimously elected to the chair and in his address expressed his pleasure at meeting the delegates who represented an industry of so great importance to the agricultural population of Alberta. He believed that the dairy industry was as yet but in its infancy. The delegates should receive great benefit individually, as discussing various subjects would bring forward facts which would help him and the butter exhibits and scoring contests, such as were to be held in connection with the convention, would arouse a very keen interest.

not only among the delegates, but on their respective districts. The 1907 season had not been a good one, but he predicted much better things for 1908.

Commissioner Marker put in a few inspiring words, reviewing some of the features of their programme, which would be adapted as far as possible to the needs of those present.

The improvement of dairying by the education was their main aim, by the discussion of principles, methods and experiences. The buttermakers were the missionaries of improved dairying and largely through their expert knowledge reached the patrons. The cheesemaking industry, he was satisfied, would flourish when the country was better settled.

Mr. Finlay said that the services of the Provincial Sanitary Engineer and of the Provincial Bacteriologist were always at the disposal of the dairymen to improve their equipment in regard to water and drainage. They had hoped to have one of the better inspectors with them to discuss the underlying principles of clean dairying, but they were busy with examinations.

At the evening session Mr. Marker gave a view of the dairy work of the Province for the past two years.

THE FENCING OF BUFFALO PARK

The contract for fencing the 125,000 acre buffalo park on the Battle River was let on Saturday afternoon. The Ideal Fence Company of Winnipeg have secured the contract for supplying the wire and John Breckenridge of Calgary, the contract of supplying the posts and building the fence. The estimated cost of building this seventy-mile buffalo proof fence was \$79,000. The lowest and successful tender is well within the estimated cost. The Ideal Fence Co. is the western end of the McGregor-Bannell Fence Co., Ltd. of Walkerville, Ont.

Piles are easily and quickly checked with Dr. Shoop's Magic Ointment. To prove it I will mail a small box as a convincing test. Simply address Dr. Shoop, Racine Wis. I surely would not send it free unless I was certain that Dr. Shoop's Magic Ointment would stand the test. Remember it is made expressly and alone for swollen, painful bleeding or itching piles, either external or internal. Large jar 50c. Sold by Red Cross Drug Store.

How many women there are that get no refreshment from sleep. They wake in the morning and feel tired thro' the day when they want to bed.

They have a dizzy sensation in the head, the heart palpitates; they are irritable and nervous, weak and worn out, and the lightest household duties during the day seem to be a drag and a burden.

MILBURN'S HEART AND NERVE PILLS

are the very remedy that weak, nervous, tired out, sickly women need to restore them the blessings of good health.

They give sound, useful sleep, tone up the nerves, strengthen the heart, and make rich blood. Mrs. G. McMichael, Poudre la Prairie, Man., writes: "I was troubled with shortness of breath, palpitation of the heart and weak speech. I got four boxes of Milburn's Heart and Nerve Pills, and after taking them I was completely cured."

Price 50 cents per box or three boxes for \$1.25, all dealers or the The T. Milburn Co., Limited, Toronto, Ont.

Pupils are presented every year for the Toronto College of Music and the Government Teachers' exams. Difference of saved is no obstacle to admission.

Suffered 20 Years

"Fruit-lives" Cured in 2 Months

St. Raphael, Ont.

For over twenty years I suffered from Chronic Constipation of the bowels, and I could get no medicine to cure me. I tried doctor and every known purgative, or laxative, medicine known but I was no better. Sometimes, if I did not take medicine, I would go four or five days, without any action of the bowels. During all this time I was weak and suffered from indigestion constantly. About a year ago a friend advised me to try "Fruit-lives" as they had helped her. I began taking "Fruit-lives" and from the outset I began to feel better, and inside of a month the pains were almost gone and the Constipation relieved. In two months I was perfectly well again, no pains, no constipation, and my complexion had lost all that sallow appearance.

(Sgd) MARY A. McDONNELL.

"Fruit-lives" or Fruit Liver Tablets are the only remedy known to science that actually cure Constipation. They do this by making the liver healthy and active—thus causing more bile to flow into the bowels.

"Fruit-lives" or "Fruit Liver Tablets" are sold by dealers at 25c a box—6 for \$2.50—or will be sent on receipt of price. Fruit-lives Limited, Ottawa.

Notice to Steam Engineers

NOTICE IS HEREBY GIVEN that an examination will be held by David Fraser, a duly appointed Inspector of Steam Boilers for the Province of Alberta, at Strathcona, (Opera House) April 14th, 1908, at 9 o'clock a.m., for the purpose of giving engineers and apprentices an opportunity of qualifying for certificates under the provisions of the Steam Boilers Act, 1906.

Application for examination should be made to the above named inspector or to

Boston, April 14th.—A storm of fire riding with a gale that blew from forty-five to sixty miles an hour swept over the city of Chelsea today, destroying the larger part of the business and residential sections. An area of a mile and a half long and three-quarters of a mile wide was swept by the fire. Thousands of persons were driven from the churches and homes, and so swift was the work of destruction that many had to flee for their lives. Two women who delayed to try and save some of the effects of their homes were burned to death. Six in all are dead. Half a hundred men and women are injured and some of them are not expected to live through the night. Ten thousand people, including fifteen hundred families, are homeless, the principal public and private buildings of the city are in ruins and the property loss probably totals \$5,000,000. Among the structures destroyed were sixteen churches, two hospitals, public libraries, city hall, five school buildings, twenty business blocks, a score of factories and upwards of 300 tenements. Five banks and savings institutions were burned and the money contained in them is still in the vaults. Strong forces of guards patrol all streets tonight to prevent looting, but aside from the money in the vaults of the banks it is not believed that much of value can be recovered from the ruins of the burned district.

WATER GLEN

On Saturday evening, April 14th, the Water Glen gun club re-organized for the coming season. There will be practice every Saturday evening at 6 o'clock. The following officers were elected:

Chairman, A. O. Lindholm
Secretary, Chas. A. Johnson
Treasurer, M. A. Fagen

It is believed that the club will be stronger this year than last, and as there will be more members there will be more practice.

Mr. and Mrs. Grosbeck left last Tuesday for Woodbury, Iowa, to visit their sons and other relatives. We all wish them good luck on their journey, and a welcome back to Alberta again.

The Red Deer Lake Farmers' Club re-organized and new bylaws were drawn up. This club has now been running for about five years and the club days, which are the last Saturday in every month, are looked forward to as well as attended as when we first started.

E. P. Cronquist came up from Red Deer last week to move his cattle from his old place, he having sold his half section of land to Mr. J. Nilson of Ponoka.

S. Plack is moving out to his homestead with his machinery and other goods those days. They will all be moving down there the first week in May.

W. Rogers and family have moved into Mr. Grosbeck's house, Mr. Rogers having rented the place for two years.

Married—Johnson—Kallman—At Water Glen, Alta., on the 10th inst. by Rev. Ruthen, Otto W. Johnson to Miss Kallman, both of Water Glen.

Every place you go you hear the same question asked.

Do you know that there is nothing so dangerous as a neglected cold?

Do you know that a neglected cold will turn into Chronic Bronchitis, Pneumonia, Disrupting Cough and the most deadly of all the "Wetaskiwin" Coughs?

Many a life history would read differently, if, on the first appearance of a cough, it had been remedied with

Dr. Wood's Norway Pine Syrup

This wonderful cough and cold medicine contains all those very fine principles which make the thin world so reliable in the treatment of lung affections.

Combined with this is Wild Cherry Bark and the soothing, healing and expectorant properties of other potent herbs and barks.

For Coughs, Colds, Bronchitis, Pain in the Chest, Asthma, Whooping Cough, Hoarseness or any affection of the Throat or Lungs. You will find a sure cure in Dr. Wood's Norway Pine Syrup.

KNOX TENNIS CLUB RE-ORGANIZED

A meeting of those interested in lawn tennis was held at the home of Rev. Hogg on Friday evening last when the Knox Tennis Club was re-organized for the coming season and the following officers elected:

Hon. Pres., Rev. Hogg
President, A. W. McKinley
Vice-President, A. T. Kinland
Secretary, Miss G. A. Spencer
Treasurer, H. E. Cutler
Members of Executive, Mr. A. W. F. Hogg, Mr. Hogg, Mrs. West, Mrs. Spencer, Mrs. Montgomery.

Plans were laid for the improvement of the grounds and the club will start operations at once. The meeting was very enthusiastic and all are looking forward to a very successful season. Those desiring to become members should hand their name to the secretary at an early date.

IMPORTANT NOTICE
Friday next, April 17th, is Good Friday, and will be observed as a holiday throughout the Dominion of Canada. Therefore all the stores and business places in Wetaskiwin will be closed.

T. J. BARRETT
MANAGER

COUNCIL PROCEEDINGS

An adjourned meeting of the city council was held on Wednesday evening with all present.

A big batch of correspondence was read and considered, but there was nothing of importance until a telegram was read from Jarvis & Co. of Toronto, offering par for \$10,000 worth of gas debentures and requesting a 15 day option on the remainder namely \$8,000. It was moved by O'Brien-Chandler-That Jarvis & Co. be notified that the city did not now desire to divide the sum and would grant a 15 day option for the full amount.

Ald. Montgomery thought that the offer should be accepted for \$10,000, as there would be no trouble in disposing of the remainder.

It was moved in amendment by Kelley-Montgomery-That the offer be accepted at once and that the 15 day option be granted.

After a full discussion Ald. O'Brien withdrew the motion and the amendment carried unanimously.

Accounts to the amount of \$436.50 were passed for payment.

Ald. Chandler reported that he had interviewed Thos. Torson, fire chief, who would not reconsider his resignation. It was moved by Montgomery-Kelley-That the resignation be accepted and that Mr. Torson be requested to hold office until a successor was appointed. The fire, water and light committee was requested to bring in a report at next meeting re fire chief.

It was moved by O'Brien-Kelley-That any accounts presented to the city be passed at the meeting first following the presentation of the accounts.-Carried.

It was moved by O'Brien-Kelley-That the public works committee look into the matter of building a crossing and sidewalk from Lorne St. to the new C. P. R. depot.-Carried.

It was moved by Kelley-Chandler-That the bylaw re weigh scales passed last fall be carried into effect and that R. M. Angus and the Waskiwin Sawmill Co. be notified that they must have their scales removed from the streets by the 30th inst.-Carried.

Ald. Kelley recommended that a fence be built running a few rods south of the scales office to assist in driving cattle onto the scales. Also that a chute be built for loading and unloading bags, etc.

It was moved by Montgomery-Chandler-That the recommendations of the public works committee be carried out.-Carried.

Ald. Chandler brought up the matter of giving a grant to the Board of Trade to be spent in sending an exhibit to the Dominion Fair.

It was moved by Montgomery-Chandler-That a grant of \$250 be made to the Board of Trade to assist in placing an exhibit at Calgary to be paid when the finances of the city will permit.-Carried.

Moved by Kelley-Chandler-That the clerk have an advt. inserted in the local papers notifying the ratepayers that all petitions for sidewalks must be in by May 15th.-Carried.

Ald. Montgomery brought up the matter of chimney sweep for the city but no action was taken.

Ald. Montgomery brought up the matter of tree planting in the city and moved that the parks committee bring in a report on the matter. Ald. Chandler seconded the motion and it was carried unanimously.

Meeting adjourned.

W. O. T. U. RE-ORGANIZED

A meeting of the ladies of the city interested in the temperance cause was held in the Baptist church on Thursday afternoon. Mrs. Hyslop, Dominion organizer, spoke very feelingly on the need of this work and based her remarks on the text "Here in my Father's house I have much fruit." John 15-4. She is a very pleasing speaker and her remarks were practical and her assertions authentic. The question was then discussed of taking steps towards the introduction into the schools of Alberta of a systematized study of the effects of alcohol and tobacco on the system. The local branch of this union was re-organized. Mrs. Robert Gibbs was elected president, Mrs. D. A. Sharpe vice-president, Mrs. J. H. Knight secretary and Mrs. John Martin treasurer.

"Hurry to Talbot's if you want to get in on that half price photo deal which ends May 1st.

"Free Lecture at the Alberta Hall, April 22nd, 1908, at 8 p. m., 'Socialism Made Plain' by Charlie O'Brien of B. C. All invited.

Mr. Davies has severed his connection with the Bank of Commerce, and his place is being taken by Mr. Coates, recently of the Winnipeg branch.

SCHOOL ENTERTAINMENT

A Dramatic Entertainment and Concert will be given by the pupils of Alexandra School in Amicus Opera House on Thursday Evening, April 23rd. The program is divided into two parts, the first consisting of songs, choruses, recitations in costume and the Rose Dance in honour of St. George's Day. Part two is a comedy entitled "Which is Which" the characters being: Robert Capper, an artist, Walter Carruthers; Mr. Gargle, Capper's uncle, Willie Howard; Paddles, oil and colorman, Norman McEachern; Miss Pettie, a waitress, Susan Schrevelin; Miss Bingham, a poor relation, Cora Johnson; Mrs. Mille, Capper's old servant, Annie Fee; Scene, studio. Admission 50 cents. Everybody come and enjoy a treat.

"Save your rag for the rag gatherer who will call in a few days. A masquerade hall will be given in Alberta hall on Monday evening next, April 20th.

In the butter judging competition at Red Deer last week at the Dairy-men's convention W. H. Morris of the Waskiwin creamery, succeeded in winning one of the silver medals.

"We have received the first shipment of our new stock, which is now open at regular price.-P. I. Talbot.

Mrs. E. Groves is again to the front in the matter of large hen's eggs. A few days ago she brought to town one which measured 8 1/2 by 6 1/2 inches and weighed 4 1/2 ounces. Is this the record?

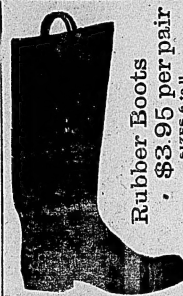

Mrs. Ed. Bailey returned on Wednesday evening from her old home in Cookshire, Que., where she has made an extended visit. Mr. and Mrs. Bailey moved at once into Welles's house.

"No Mother To Guide Her" will be seen at the Angus Opera House on Tuesday, April 21st. Its principal actress is Miss Jeannette Carver, a well known comedienne, and her success is said to be of the pronounced order. Of course this is to be expected as it would be hard to connect Miss Carver with a failure. She is a beautiful young woman with talents beyond her years. The play has been doing on the road, in theatrical parlance, a record-breaking business. It is in four acts and the entire scenic production, electrical effects, properties, etc., are carried by the company.

DEBENTURES SOLD.

\$10,000 Worth of Gas Debentures Disposed of at Par.

At the meeting of the council on Wednesday evening, the offer of A. Jarvis & Co. of Toronto, Ontario, to take \$10,000 worth of the gas debentures at par was accepted. These debentures run for 30 years and bear 6 per cent. per annum.

A 15 day option was also given to the same firm on the remaining \$5,000 at par, and it is expected these will also be disposed of in a few days.

This sale means that the work of deepening the gas well can be commenced without delay, which will be good news to everyone interested in the development of Wetaskiwin.

CHURCH CHIMES.

The ladies are requested to send all goods for the Methodist bazaar to the home of Mrs. B. F. Williamson, or Mrs. J. Bradley, before Easter, with the cost price marked on each article.

The choir of the Presbyterian church will render special music at both services on Sunday, April 13th. The concert will also be given in the church on Monday evening, when several Easter anthems will be sung by the choir and soloists. The soloists are: Mrs. Montgomery, Miss Hodgson, Miss Koh, Mr. W. Baker, Mr. T. Hogg and Mr. Gardner. Also several duets and quartets will be rendered. A collection will be taken in aid of the choir fund.

Special Easter services will be held in the Methodist church on Sunday, April 13th, when the choir will sing Easter anthems and hymns. The music will be specially good and the pastor will preach on "The Sceptic's Hypothesis." Come early.

Services will be held in the Scandinavian Baptist church, 1007 10th Avenue, at 11 o'clock. The Rev. Mr. Konek, who was to speak at this service, will not likely be able to be here, so the pastor, Mr. Bergin, will occupy the pulpit.

Easter festival will also be held in the same church on the evening of Easter day beginning at 7:30, when an appropriate program will be rendered by local talent. Free entrance collection will be taken up and a liberal offering will be expected.

The choir of Immanuel church have been looking forward to the Easter services with great interest. They have not spared themselves in the least and have been practicing regularly for their Easter music. Besides those beautiful hymns and joyous hymns for which the church's song book is noted, they have prepared for the morning service an anthem entitled "A Wake Thou Sleepeth." In the evening in place of the magnificent "The Resurrection," the choir will sing "The Resurrection." There will be a celebration of the Holy Communion at 8:30 a. m. and at the 11 o'clock service. The offerings at all services are in behalf of the expenses of the church.

On Easter Monday night at 8 p. m. in the church the regular annual congregational meeting will be held for the receiving of reports and electing officers and delegates to the Synod for the coming year.

Do not forget the banana and "Egg" tea to be given in Mrs. Gilling's tea room on April 20th. Full particulars next week.

NOTICE

All petitions for adjournment of this year must be submitted to the council not later than May 15th. Anyone who get the proper forms and full instructions as to the proper procedure from J. W. Hey, city clerk.

The meeting of the literary society of the Alexandra school, held last Friday, was exceptionally enjoyable. A number of the senior girls displayed unusual ability in making addresses. They chose historical themes and deserve great credit for the style of their delivery. Mr. Ross, the inspector, delighted the students with his reminiscences of Wetaskiwin school many years ago.

CITY NEWS

J. Percy Blythe, auditor of Edmonton, was in the city this week auditing the municipal books.

Mayor Mills of Strathcona was in the city on Wednesday.

W. Gould of the station was at Calgary for a few days during the past week.

Miss McGregor, after spending a year in the West, left on Monday for her home in Sarnia, Ont.

Mrs. John West went to Tinsdale on Wednesday evening to spend a few days with friends.

R. B. Bennett of Calgary was in the city Tuesday on professional business.

Miss Hope West of Calgary arrived home on Saturday to spend the Easter vacation.

We have decided to extend half price rate on all photos till May 1st. P. L. Talbot.

The many friends of Mr. John Greinerton learn that he is seriously ill with dropsy, and that little hope is entertained for his recovery.

The many friends of Mr. and Mrs. Thorsen regret that their son, Sammy, is suffering with appendicitis. On Saturday Dr. Ferris of Edmonton performed an operation and now the little sufferer is convalescing as rapidly as can be expected.

Mrs. Jas. Bruce and family have come to Wetaskiwin to join Mr. Bruce who is shipping of a bankrupt stock at that town.

J. N. Davis, the pioneer fur buyer, last week purchased the largest cache of the season from A. G. Woods of Pigeon Lake, it measuring 5 feet 6 inches long and 14 inches across the back. It was a No. 1 perfect skin and we understand Mr. Davis paid \$400 for it.

The many friends of H. W. Brown of Oroville, Wash., are pleased to know that he is procuring down there, and is having great success raising pumpkins. Recently he sent one weighing 24 pounds to R. E. Boyd of Wetaskiwin, which was the smallest of 28 grown on the place.

Messrs. N. W. and Jas. Gould, who were at the Coast for a couple of weeks, returned home on Sunday last.

J. Richards, manager of the rally firm of A. Williamson Taylor Co., is in the city for a few days renewing acquaintances and rustling for business.

A meeting of all those interested in the organization of a rifle association in Wetaskiwin will be held in Gilling's ice cream parlors on Monday evening, April 20th. Let everybody turn out.

Mrs. Fraser of Calgary arrived on Friday evening to visit her daughter, Mrs. James Bradley.

Fire drill was held in the school on Friday and all the pupils were out of the building in 50 seconds—a record breaker for Wetaskiwin.

It is a curious fact that some advertisers will stop their ad in the black time, and others will stop it in the busy time, from exactly the same idea that they should not advertise.

A most exciting accident took place here on Saturday morning. Joe Treva's small boy Bobbie was driving his father's team under the direction of the regular driver. In some way the reins slipped and the horse ran away. They dashed into a telegraph pole on Lorne street and one wheel was torn off. Proceeding in their career the animals struck a second telegraph pole and the team were torn out of their mouths and the wagon smashed to pieces. The boy was seriously hurt by being thrown out and lighting on his head. He was carried into Dr. Walker's office.

John Callahan of the Star Store is a band spending a well earned holiday.

LOMBARD GETS DECISION IN TENTH ROUND

The boxing contest held in Angus Hall on Wednesday evening, April 28th, under the auspices of the Wetaskiwin Turf Club was well attended by lovers of the manly art, and all left the hall well satisfied with what certainly was the best exhibition of boxing ever witnessed in the city.

The principals in the main event were Jack Daly, who is the claimant to the light weight championship of Manitoba, and Harry Lombard of Chicago, well known in boxing circles throughout the Province, having come prominently to the line-light in his two different contests with Billy Lander of Calgary, the light weight champion of Canada.

The preliminaries opened up at 4.45 sharp and were very good, but the audience was too restless and anxious to see the professional gladiators, to show the appreciation that was justly due them.

The first contest was a four rounder between Nick Genz and 'Nipper' Kolb and was the most interesting, both men were in good condition and mixed it up nicely. This was followed by a three round bout between Mary Wehman and Clate; Mary was marked by hard punches, which apparently, blood thrilling swings and clever sidestepping and ducking. The third and last of the preliminaries was between Dave McCloy of Hardisty and Kid Kiel of Scotland, both men in the heavy weight class. The men in the break away. Regulation 8 oz. gloves were then produced and passed over to Chief of Police Schantz for his inspection and approval. The men were then called from their respective dressing rooms, and entered the ring stripped for the fray at 10.05 o'clock. After both had been introduced by the referee, the second came to the center of the ring and tossed for corners and the choice of gloves. Both principals were then called to the centre and warned on points of rule. They shook hands and returned to their corners. The gong sounded at 10.11.

Round 1—Both men rushed from their corners keen and anxious, began sparring for an opening. Daly feints with left and lands right to face. Lombard swings hard left to kidneys, and right to jaw which Daly blocks. Lombard forces the fight till gong rounds.

Round 2—Daly rushes in with right and left punches to body which Lombard blocks. Daly clinches and hangs on till referee intervenes. Daly swings to face in the break-away and is warned. Lombard jabs with left to face and repeats. Daly is wild in his swings and fails to land. Lombard again swings hard left to kidneys and right to face. Daly clinches, breaks and lands heavy right to face. Both are sparring for an opening at the gong.

Round 3—Daly feints with left and lands right to ribs. Lombard swings hard left to kidneys and right to face. Daly clinches, breaks and lands heavy right to face. Both are sparring for an opening at the gong.

Round 4—Daly feints with left and tries to reach Lombard's jaw with right but is blocked. Lombard lands left hook to jaw which seems to jar Daly who rubs in, clinches and hangs on till referee intervenes. Lombard lands left jab to face, and grins at Daly. Daly is all right but wild, and his blows are blocked or countered with more telling effect. Lombard swings left to kidneys and directly blocks a heavy short arm punch to heart. Daly clinches and fouls with elbow and is again warned by the referee. Sparring at the gong.

Round 5—Daly looks tired and is a little slow to answer the gong. Lombard lands with right to face and left to kidneys. Daly rushes and lands short right to body. Light lightning with honors even. Lombard swings left to kidneys and sidesteps Daly again rushes with right and left swings which fall dead. Lombard steps back and again that terrible left swings hard on Daly's jaw. Daly falls to the floor looking about all in while the referee counts out the fleeting seconds. He was on his feet at the

ninth however and cleverly ducked a hard one to face. Daly looks back when gong sounds.

Round 6—Lombard tries to reach jaw with short right but Daly is too quick for him. Daly swings left to face and right to ribs but gets a series of uppercuts in the close that jarred him. Daly has worked hard all through the bout and this tells on his wind. Lombard forces him but Daly clinches often for rest till end of round.

Round 7—Daly again on the aggressive and swings hard right to face. Lombard smiles, feints with right and jabs left to jaw. Crowd admire his coolness and cheer. Daly fighting hard but has little or no control of his temper. Light exchanges with several clinches till gong.

Round 8—Daly looks rested and dangerous as he sports for an opening. Daly feints with left, swings right to body but Lombard blocks and chops right to face. This engages Daly who rushes in, clinches with left and lands three hard jabs to ribs. The referee steps between the men and once more warns Daly and assures him that it will be the last time. Lombard swings hard right - left and blocks the counter. Both looking strong at gong.

Round 9—Daly in the clearest round yet. Daly remembers the last warning and always breaks clean. Both men doing clever ducking and blocking. Honors even till 10 seconds before gong when Lombard sidesteps to avoid a shot to body and lands hard right and left swings to head.

Round 10—Lombard rushes from his corner looking dangerous. Daly ducks a right swing but runs into that mighty left in coming up. This once more puts Daly in the air who clinches and lands in the break-away.

The referee called for the gong and stated that in all due justice to Lombard he was forced to disqualify Daly for repeated fouling, and declared Lombard the winner. The crowd cheered lustily and filed out of the hall well contented with the exhibition and the referee's decision.

Daly was interviewed by our reporter later on, and much as he regretted losing the contest, he stated that the referee had been very lenient with him and that he could not understand how he came to lose control of his temper.

Daly left for the Coast the following day where he is matched for the twelfth of this month. He intends returning to arrange another match with Lombard.

More interesting matter while in the city made many friends by his gentlemanly demeanor and a great many regret the circumstances that lost him the contest last week. He is a clever boxer, and if he can overcome one misfortune, that of losing his head as a critic, he is a real prospect for a man in good record in the light-weight class.

Lombard throughout the contest looked confident, and his admirable coolness and great ring generalship plainly showed that he is an old hand at the game. He is a dangerous man in the ring, especially in fighting.

He left last Friday for Edmonton to see friends but is returning to Calgary this week to prepare for his match there with Kid Seale, which takes place some time this month.

The officials of the contest were: Referee, F. A. Miquelon
Time Keeper, Frank Birch.

CREAMERY CONVENTION AT RED DEER.

The first Provincial Creamery Convention for Alberta was held in the Oddfellows' hall, Red Deer, on Tuesday and Wednesday of last week and was a pronounced success, some fifty being in attendance at the various sessions, most of them being butter-makers and cheese makers.

The convention had the benefit of the presence of Hon. W. T. Finlay, Minister of Agriculture, as chairman, with his kindly encouragement and his deep interest in the improvement of the dairy industry of the province. Mr. C. P. Marker, Provincial Commissioner of dairying; Mr. W. G. Craig, Superintendent of Farmers' Institutes; G. H. Clark, Institute lecturer; T. B. Miller, President of the Dairywomen's Association of Alberta; Messrs. Pearson, Scott and other leading experts; Mr. M. D. Geddes of the Farm and Ranch Review, and others.

The Hon. W. T. Finlay was unanimously elected to the chair and in his address expressed his pleasure at meeting the delegates who represented an industry of so great importance to the agricultural population of Alberta. He believed that the dairy industry was as yet but in its infancy. The delegates should receive great benefit individually, as discussing various subjects would bring forward facts which would help all and the better ability and scientific contacts, such as were to be held in connection with the convention, would arouse a very keen interest, not only among the delegates, but on their respective districts. The 1907 season had not been a good one, but he predicted much better things for 1908.

Commissioner Marker put in a few inspiring words, reviewing some of the features of his programme, which would be adapted as far as possible to the needs of those present. The improvement of dairying by education was their main aim, by the discussion of principles, methods and experiences. The buttermakers were the missionaries of improved dairying and largely through them expert knowledge reached the patrons. The cheesemaking industry, he was satisfied would flourish when the country was better settled.

Mr. Finlay said that the services of the Provincial Sanitary Engineer and of the Provincial bacteriologist were always at the disposal of the dairymen to improve their equipment in regard to water and drainage. They had hoped to have one of the boiler inspectors with them to discuss the underlying principles of clean dairying, but they were busy with examinations.

At the evening session Mr. Marker gave a view of the dairy work of the Province for the past two years.

Suffered 20 Years
"Fruit-Lives" Cured in 2 Months

St. Raphael, Ont.
For over twenty years I suffered from Chronic Constipation of the bowels, and I could get no medicine to cure me. I tried doctors and every known purgative, or laxative, medicine known but I was no better. Sometimes, if I did not take medicine, I would go four or five days, without any action of the bowels. During all this time I was weak and suffered from indigestion constantly.

About a year ago a friend advised me to try "Fruit-Lives" as they had helped her. I began taking "Fruit-Lives" and from the outset I began to feel better, and inside of a month the pains were almost gone and the Constipation relieved. In two months I was perfectly well again, no pains, no constipation, and my complexion had lost all that sallow appearance.

(Sgd) MARY A. McDONELL.
"Fruit-Lives" or Fruit Liver Tablets—are the only remedy known to science that actually cure Constipation. They do this by making the liver healthy and the bowels acting more freely to flow into the bowels.

"Fruit-Lives" or "Fruit Liver Tablets" are sold by druggists at 25c a box for \$2.50 or by mail on receipt of price. Fruit-Lives Limited, Ottawa.

using charts for the purpose of illustrating his conclusions. Owing to the severe winter of 1907-08, and the late spring the output of 1907 had been lower than that of 1906, by 40 per cent., but the average price obtained for the butter had been 24 cts. higher—23.7 as compared with 21.22. Mr. Marker showed, by comparison of prices during the season, that the price of butter was higher in the spring and fall than in the summer, but it was very difficult to get the farmers to increase their output at the profitable seasons. He compared the prices received by different creameries for their butter, and showed that the price received varied in proportion to the amount made during the respective periods, these having a good output spring and all getting the best results. Only one per cent. of the year's butter was made in May. Mr. Marker made a comparison of prices at Montreal, Vancouver, The Montreal market was a competitor under certain conditions and seasons and ruled the price to some extent. The percentage of profit made during each week of the season was shown by chart. The cost of manufacture would be lessened if the output were fairly even during the season when he amount was large, then came a rapid decline. The problem was to adapt an irregular output to a fairly constant demand. In June and August more was made than the market required and the surplus was put in cold storage for better prices. By selling outside the Government kept the local market from being glutted and maintained prices for every farmer all through the province. He felt keenly the attitude of Government creamery patrons dispoing of their butter on the local market and not assisting the creameries established for their benefit with the loyalty they should have shown.

The use of green feed cut at the proper time, and of grain for dairy cattle was recommended by several speakers for feeding under present conditions. Tame hay, roots and top was another article. If cows saluted late in the year, and were fed a liberal ration of some kind of succulent food, the milk flow would continue all winter, and the cows would have the benefit of the spring grass before the flow had diminished to any noticeable extent.

Mr. Pearson gave an instructive talk on cold storage, and compared with creameries. If butter was properly made it should be properly preserved. Wednesday afternoon specimens of Mr. Sherman's Jerseys, Mr. Trimble Aythya, and Mr. Allen's Holsteins were shown, and their different qualities and defects pointed out by Messrs. Craig, Geddes and Clark, they were also judged by the class.

In the evening the prizes were presented by the Minister. Trophy given by the Provincial Department of Agriculture for the highest shipment during 1907 from Provincial creameries to Calgary station, won by Red Deer creamery; gold medal to buttermaker, J. M. Stevenson, Red Deer; cup to L. M. McLean, Innisfail; W. W. Satter, Cor. Blackfalds; W. H. Morris, Wetaskiwin; J. A. Dangersfeld, Clls; A. Peterson, Brats; M. B. Latam, Content; M. E. Hunter, Spring Lake B. Markenberg, Markerville.

A cup presented by Richardson & Co., St. Mary, for best package of butter exhibited at convention. Cup to be won two years, L. M. McLean, Innisfail.

Mr. Harcourt, Deputy Minister of Agriculture, gave a valuable address. It will soon be time for every resident of Wetaskiwin to clean up. The man who has not pride enough in his home to make his premises presentable, has no right to own a home or be a resident of Wetaskiwin.

47,500,000 FIRE IN BOSTON

SUBURB.

Boston, April 12th.—A storm of fire
riding with a gale that blew from
forty-five to sixty miles an hour,
swept over the city of Chelsea today,
destroying the larger part of the
business and residential sections. An
area of a mile and a half long and
three-quarters of a mile wide was
swept by the fire. Thousands of persons
were driven from the churches and
homes, and so swift was the work
of destruction that many had to
flee for their lives. Two women
who were detected to try and save
some of the effects of their homes
were burned to death. Six in all
are dead. Half a hundred men and
women are injured and some of them
are not expected to live through the
night. Ten thousand people, includ-
ing fifteen hundred families, are home-
less, the principal public and private
buildings of the city are in ruins
and the property loss probably
totals \$1,000,000.
Among the structures destroyed were
sixteen churches, two hospitals,
public libraries, city hall, five school
buildings, twenty business blocks,
a score of factories and upwards of 300
tenements. Five banks and savings
institutions were burned and the
money contained in them is still in
the vaults. Strong forces of guards
patrol all streets tonight to prevent
looting, but aside from the money in
the vaults of the banks it is not be-
lieved that much of value can be
recovered from the ruins of the burned
district.

WATER GLEN

On Saturday evening, April 14th,
the Water Glen gun club re-organized
for the coming season. There will be
practice every Saturday evening at 6
o'clock. The following officers were
elected:
Chairman, A. G. Lundholm
Secretary, Chas. A. Johnson
Treasurer, M. A. Pagen
It is believed that the club will be
stronger this year than last, and as
there will be many members there will
be more practice.

Mr. and Mrs. Grobeck left last
Tuesday for Woodbine, Iowa, to visit
their sons and other relatives. We
all wish them good luck on their
journey, and a welcome back to Al-
berta again.

The Red Deer Lake Farmers' Club
re-organized and new bylaws were
drawn up. This club has now been
running for about five years and the
club days, which are the last Satur-
day in every month, are looked for-
ward to and are as well attended as
when first started.

W. P. Cronquist came up from Red
Deer last week to move his cattle
from his old place, having sold
his half section of land to Mr. J.
Nelson of Ponoka.

S. Plack is moving out to his
homestead with his machinery and
other goods those days. They will
all be moving down there the first
week in May.

W. Rogers and family have moved
into Mr. Grobeck's house. Mr. Rogers
having rented the place for two
years.

Married—Johnson—Kallman—on the 10th inst.
by Rev. Rithers, Otto W. Johnson
to Miss Karin M. Kallman, both of
Water Glen.

How Is Your Cold?

Every place you go you hear the same
question asked.
Do you know that there is nothing so
dangerous as a neglected cold?
You know it is a neglected cold will
turn into Croup, Whooping Cough, Bronchitis,
disruptive throat and the most deadly of
all the colds of the throat.
If you have a cold and feel different
from the first day, it is a sign of a cough, it
has been neglected.

Dr. Wood's
Norway
Pine Syrup

This wonderful cough and cold medicine
contains all the best ingredients which
make the pine syrup so valuable in
the treatment of lung affections.
Combined with this is Wild Cherry
Bark and the soothing, healing and ex-
pectorant properties of other precious
herbs and barks.

For Coughs, Colds, Whooping Cough,
the Croup, Asthma, Gravel, Whooping
Cough, Hoarseness or any affection of the
throat or lungs. You will find a sure
cure in Dr. Wood's Norway Pine Syrup.
D. M. Lerner, Berlin, N.B., writes:
"I have used Dr. Wood's Norway
Pine Syrup for coughs and colds, and have
always found it give instant relief. I
also recommended it to one of my neigh-
bors and she was more than pleased with
the result."

Dr. Wood's Norway Pine Syrup is 25
cents per bottle at all dealers. Put up in yellow
wrapper, and three pine trees on the trade
mark. Before buying, see that there is only
one Norway Pine Syrup and that one is
Dr. Wood's.

KNOX TENNIS CLUB RE-ORGANIZED.

A meeting of those interested in
knox tennis was held at the home of
Rev. Hogg on Friday evening last
when the Knox Tennis Club was re-
organized for the coming season and
the following officers elected:
Hon. Pres., Rev. Hogg
President, A. W. McKinley
Vice-President, A. T. Kinard
Secretary, Miss G. A. Spencer
Treasurer, H. E. Cutler
Members of Executive, Mr. A. W.
Leith, Mr. T. Hogg
Patronesses, Mrs. Hogg, Mrs. West,
Mrs. Spencer, Mrs. Montgomery.
Plans were laid for the improve-
ment of the grounds and the club
will start operations at once. The
meeting was very enthusiastic and
all are looking forward to a very
successful season. Those desiring to
become members should hand their
name to the secretary at an early
date.

IMPORTANT NOTICE

Friday next, April
14th, is Good Friday, and will
be observed as a holiday thro-
ughout the Dominion of Can-
ada. Therefore all the stores
and business places in Wetaski-
win will be closed.

Ticking or dry coughs will quickly
loosen when using Dr. Shoop's Cough
Cure. And it is so thoroughly harm-
less, that even Dr. Shoop tells moth-
ers to use nothing else, even for very
young babies. The wholesome green
leaves and stems of a lung healing
mountainous shrub give the curative
powers to Dr. Shoop's Cough Cure.
It calms the sores and heals the
inflammatory bronchial membranes. No
cough, no chloroform, nothing harsh
used to irritate or suppress.
Demand Dr. Shoop's. Take no other.

Massey-Harris Cream Separators

POINTS WORTH REMEMBERING

- EASY TO FILL—
Because the supply can is low—only waist-high—and there is no danger of running the can over as there is with a high supply can.
- EASY TO TURN—
Because it has cut gears and easy-running bearings—Improved Rocker Bearing, Ball Bearings and removable Bronze Bushings.
- SAYS MORE CREAM THAN ANY OTHER MACHINE AT ALL TEMPERATURES—
The Improved Massey-Harris now readily handles hot or cold milk.
- EASY TO CLEAN—
Because there are not two parts inside the bowl, and these are easily removed.
- NO DANGER FROM EXPOSED GEARS—
Because all gears are enclosed, yet are readily accessible.
- DURABLE—
Because made from the highest grades of material, carefully finished and on account of the easy running bearings.
- SIMPLE AND WILL NOT GET OUT OF ORDER—

CAMROSE APPEAL CASE

An interesting appeal case in which a large number of Camrose farmers are interested, was argued before the full court yesterday. This was an appeal by the defendants in the case of Eben Olstad, August Link et al. vs. John Lineham, Griesbach, O'Connor & Allison against the plaintiffs, and W. J. Leggett, of Wetaskiwin, for the defendant.

In this case the plaintiffs were 47 farmers residing near Camrose, and the defendants were R. L. Corey, of Leavings, an organizer, John Lineham, of Okotoks, a capitalist, and the Merchants Bank of Camrose.

In June 1905, according to the statement of claim, the defendant, R. L. Corey, induced the plaintiffs to sign and deliver to him certain promissory notes in his favor for \$20 each, paying 10 per cent with interest at 8 per cent. They claimed that Corey procured the notes from them by falsely and fraudulently representing that he was an official of the Alberta government sent out to organize branches of the Farmers' Independent Elevator Association. It is claimed that he was bonded at \$2,000.

The plaintiffs claim that the defendant agreed to erect and operate an elevator of 50,000 bushels capacity at Camrose before October 25th, 1905, together with other necessary buildings. If he did not build these the agreement was to become void. The elevator would be under government control, and would alter five years become the property of the plaintiffs. The plaintiffs sought at any time with draw their notes from the bank and would have no further interest or liability in the scheme. The plaintiffs were to have the privilege of storing grain in the elevator one month free of charge, and for 10 per cent thereafter. The Merchants Bank was to advance them two-thirds of the value of the grain stored if desired.

It is claimed that the plaintiffs have only recently come to Canada and cannot speak or understand English and they believed the representations of the defendant Corey, and signed the notes. They now claim "that Corey was not a Government agent for under bond. That he refused to erect the elevator and buildings or to return the notes, but that he has placed these notes in the Merchants Bank for collection. They claim that John E. Lineham, the holder of the notes, has instructed the Merchants Bank to refuse to deliver these notes. They therefore claim the notes and \$10,000 damages from Corey and Lineham.

The defendants say the notes were not fraudulently obtained. They claim the defendants could speak English and knew why they signed the notes. Corey claims he carried out his part of the agreement. They deny that Lineham instructed the Merchants Bank not to deliver up the notes, and they say the plaintiffs never claimed the notes. Lineham did not know the circumstances under which the notes were obtained. He claims that Corey erected an elevator at Camrose in accordance with the agreement entered into with him.

The case was tried before a jury and a verdict was returned holding that the plaintiffs were not liable for the notes. Mr. Justice Beck ordered that the defendants should return these notes. The defendants appealed against the decision of the judge and jury.—Bulletin.

C. P. R. FIGHT CONVICTIONS.

The Canadian Pacific Railway Company are determined to fight the convictions against them in Strathcona and Montreal for the violation of the Lord's Day Act. In both cases they were imposed. The company are paying their best and moving for a writ of certiorari to quash the convictions. The motion is held over until it is heard in the Supreme Court in Montreal to-day.

In the Strathcona case the C. P. R. was charged with unnecessary running a freight train out of Strathcona on Sunday. The case came up before Judge Kerwin at the R. C. W. C. P. court held in October and a fine of \$100 was imposed. The fine was paid by the company at the Attorney General's request.

In the Montreal case the company were charged with running a freight train out of Montreal on Sunday. A conviction was also obtained in this case.

A. C. GOURLIE

—DEALER IN—

Shell and Heavy Hardware and Furniture

Wetaskiwin, Alta., April 1st, 1908

Dear Sir,—On and after May first next we are going to CHANGE OUR SYSTEM OF BUSINESS BY DOING AWAY WITH ALL CREDIT AND INSTALLING A STRICTLY CASH SYSTEM.

After years of experience by merchants who are doing only the cash business they find that the customers are better satisfied, for a few of the following reasons:

1st—If the merchant gets cash for his goods, he can pay cash for same and save the cash discount. Therefore he can give the customers the benefit of the discount.

2nd—The cash system will enable you to buy your merchandise much cheaper in our store than you can from the catalog houses in the large cities.

3rd—The customer has the advantage of selecting his goods right at home thus saving errors which often occur when buying by mail.

4th—Under the credit system the Good-Pay-Man has to make up for the losses of the Poor-Pay-Man and also for the man who does not pay at all. Therefore under the cash system every man is on the same basis.

5th—There are many other advantages to the customer and merchant. The difference between our cash and credit prices will range all the way from (5) Five to (15) Fifteen per cent.

We are going to mark our stock down to the lowest possible cash price. By this cash system we can cut down expenses, do a safer business, and therefore save the public money by trading in our store.
